INNOVATE IN YOUR TEACHING PRACTICES

WITH THE EXERCISER

THE INTUITIVE TOOL TO BUILD INTERACTIVE ACTIVITIES

SUITABLE FOR STUDENTS OF ALL LEVELS

NURSERY SCHOOL

PRIMARY SCHOOL

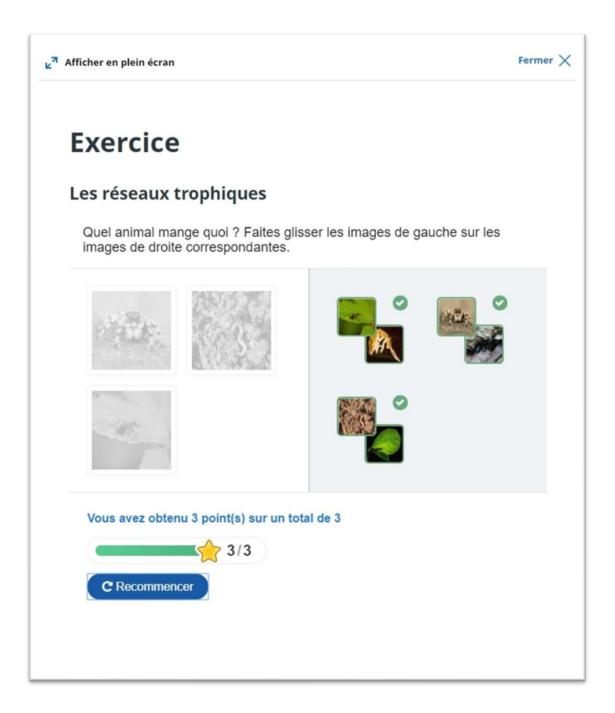

SECONDARY SCHOOL

16 types of activities available to you

- Image pairing
- Flashcards
- Timeline
- Drag the words
- Drag and drop
- Multiple choice
- Quiz
- Arithmetic quiz
- Essay
- Image sequencing
- Fill in the blanks
- Find the hotspot
- Mark the words
- Find multiple hotspots
- <u>Interactive video</u>
- True/False question

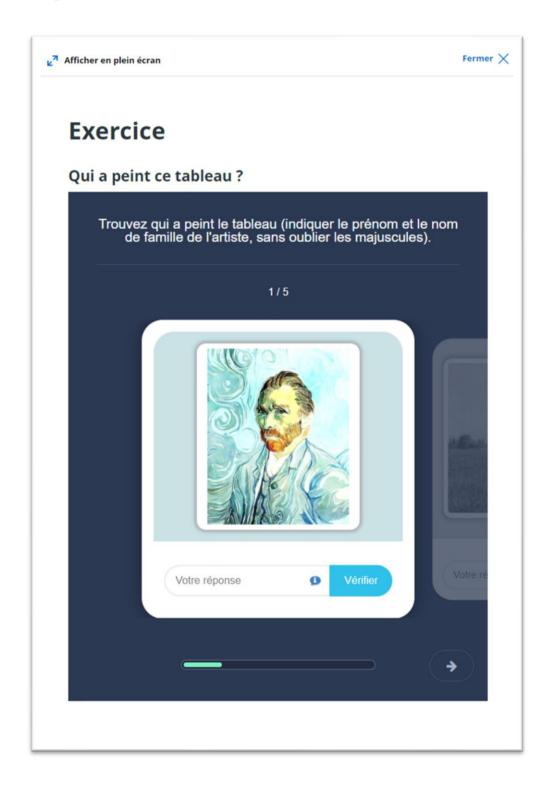

IMAGE PAIRING

With the **Image pairing** activity, students must drag-and-drop corresponding images.

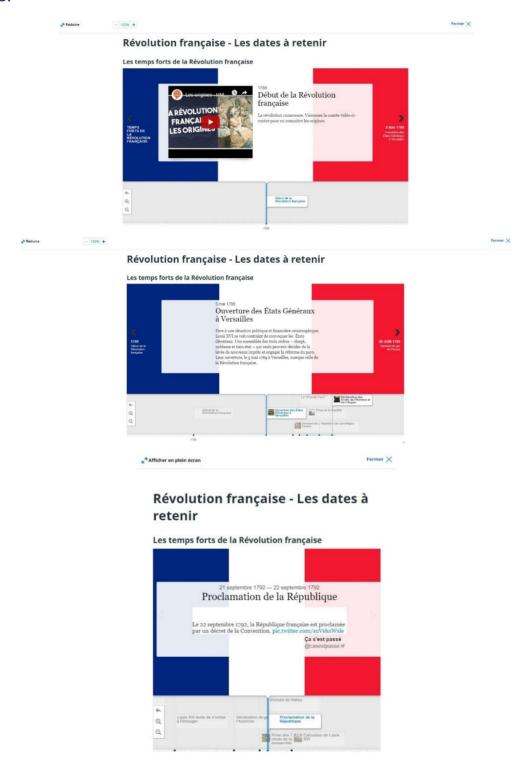

FLASHCARDS

With the **Flashcards** activity, students must answer the questions posed by the images.

With the **Timeline** activity, students can learn important periods and dates associated with events, by moving around an interactive timeline frieze.

DRAG THE WORDS

With the **Drag the words** activity, students must complete a text by dragging and dropping proposed words into their proper slots.

DRAG AND DROP

With the **Drag and drop** activity, students must drag-and-drop proposed answers ("labels") into the right places ("drop-zones").

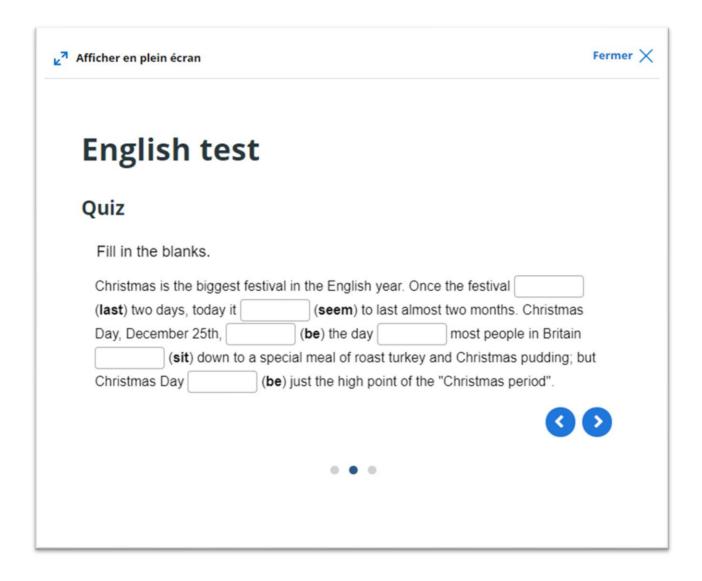

MULTIPLE CHOICE

With the **Multiple choice** activity, students must answer multiple choice questions (with one or more correct answers).

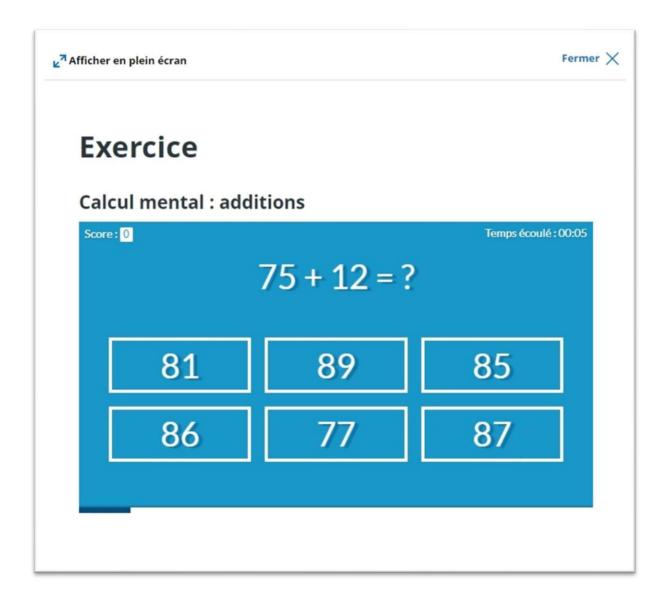

With the **Quiz** activity, students must answer a set of questions (Multiple Choices, Drag and drop, Fill in the blanks, Mark the words, Drag the Words, True/False question).

ARITHMETIC QUIZ

With the **Arithmetic quiz** activity, students must choose the correct results for the displayed operations (additions, subtractions, multiplications or divisions) amongst the 6 options of results available for each operation.

ESSAY

With the Essay activity, students must write a text including keywords.

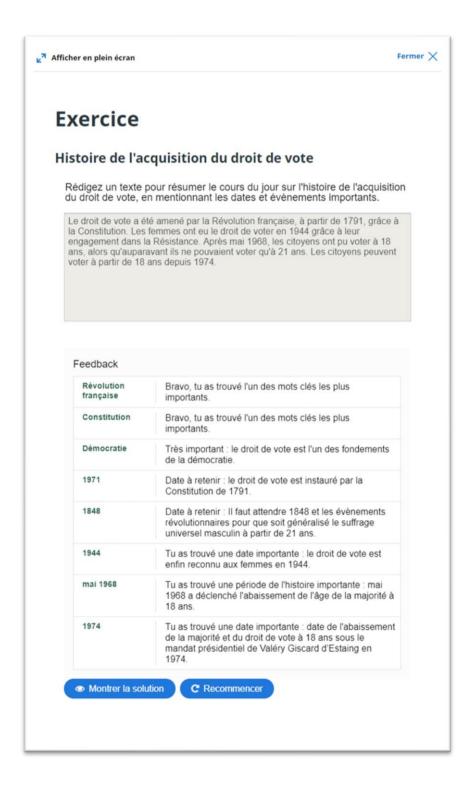

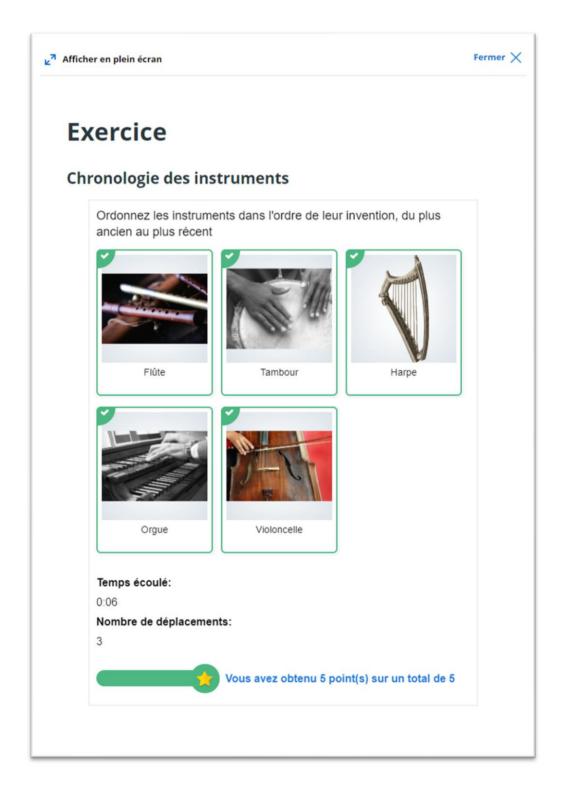

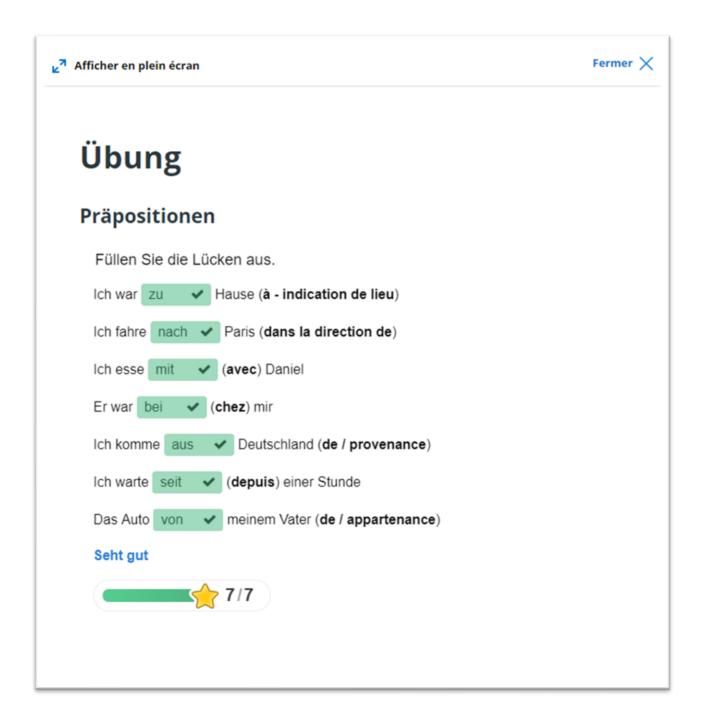

IMAGE SEQUENCING

With the **Image sequencing** activity, students must place the images into their proper order (chronological or other), from left to right.

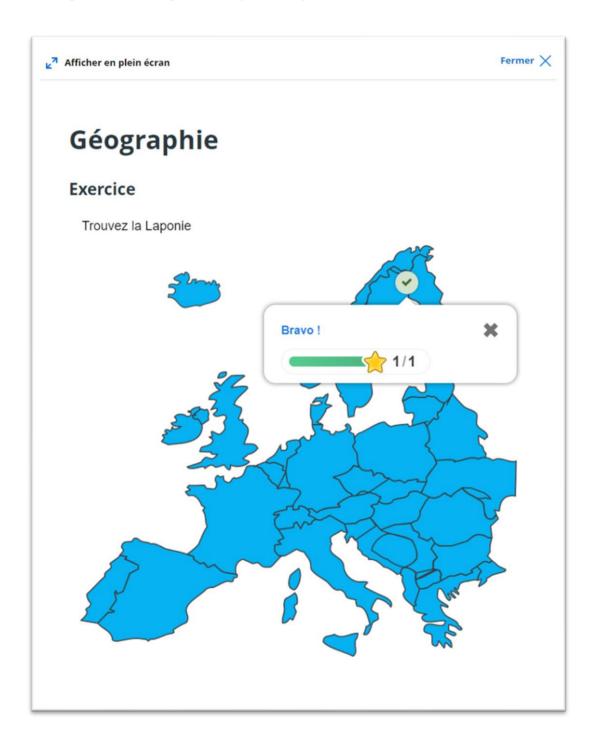

FILL IN THE BLANKS

With the **Fill in the blanks** activity, students must fill-in the blanks in the exercise.

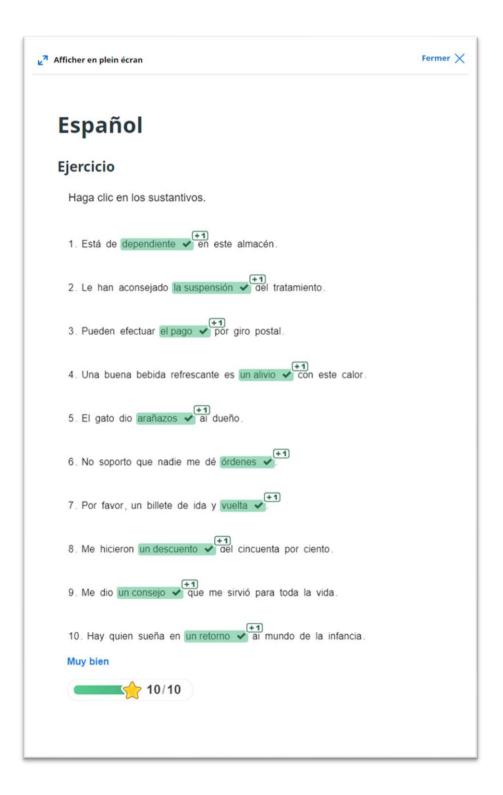

FIND THE HOTSPOT

With the **Find the hotspot** activity, students must find the correct area in an image according to a topic (only one correct answer).

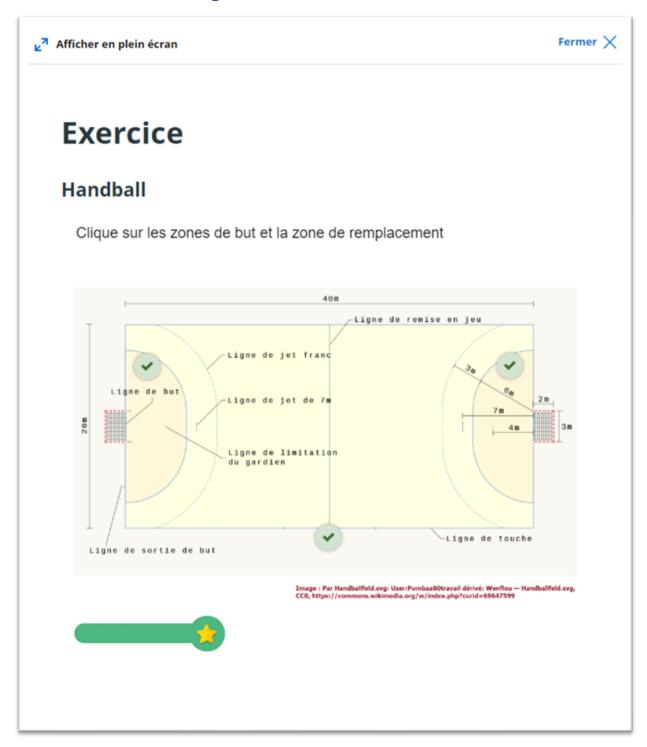

MARK THE WORDS

With the **Mark the words** activity, students must click on words to find in a text.

FIND MULTIPLE HOTSPOTS

With the **Find multiple hotspots** activity, students must click on the correct areas in an image.

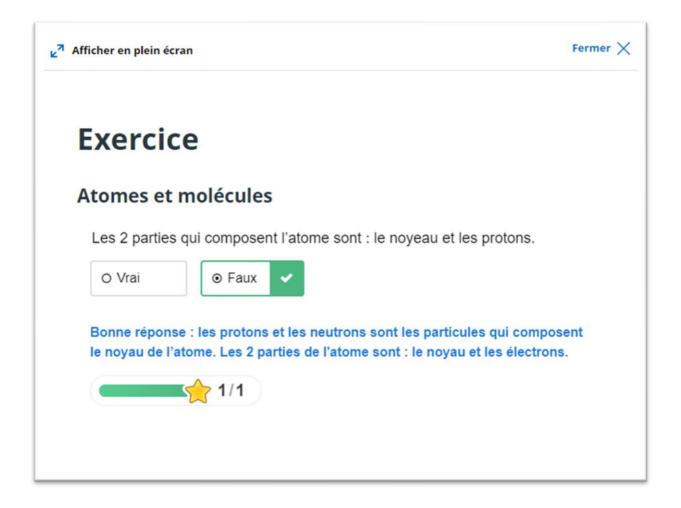

INTERACTIVE VIDEO

With the Interactive Video activity, students must watch a video containing interactive elements added by the teacher (texts, highlights, exercises, quiz, etc.).

TRUE/FALSE QUESTION

With the **True/False question** activity, students must answer the question asked by "True" or "False".
